PATENTS

Caveats and Trade-Marks obtained, and all Patent business conducted for Moderate Fees. Our office is Opposite U. S. Patent Office. We have no sub-agencies, all business direct, hence can transact patent business in less time and at less cost than those remote from Washington. Send model, drawing, or photo, with description. We advise if patentable or not, free of charge. Our fee not due till patent is secured. A book, "How to Obtain Patents," with references to actual clients in your State, county, or town, sent free. Address,

C. A. SNOW & CO.

Opposite Patent Office, Washington, D. C.

MUNN & CO'S PATENTS

After Forty years' experience in the preparation of more than One Hundred thousand applications for patents in the United States and Foreign countries, the publishers of the Scientific American continue to act as solicitors for patents, caveats, trade-marks, copyrights, etc., for the United States, Canada, England, France, Germany, and all other countries. Their experience is unequalled and their facilities are unsurpassed. Drawings and specifications prepared and filed at the Patent Office on short notice. Terms very reasonable. No charge for examination of models. Drawings. Advice by mail free. Patents obtained through Munn & Co. are guaranteed to be the best paper protected patents. The Scientific American, which has the largest circulation and is the most influential newspaper of the kind published in the world, is a powerful advocate of every invention patented through Munn & Co. and is a powerful factor in securing success for the inventor. The Scientific American is published weekly, and is sent to every subscriber for one dollar. The Scientific American is published weekly, and is sent to every subscriber for one dollar. The Scientific American is published weekly, and is sent to every subscriber for one dollar.
